DETAILED ACTION

Allowable Subject Matter

1. Claims 36-74 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record neither shows nor suggest a method comprised of, in part disposing at least one micro-component adapted to emit radiation at a first location on the first substrate corresponding to the first conductor; forming a dielectric layer on the first substrate; forming a second conductor on the dielectric layer to interact with the first conductor to excite the micro-component; along with the rest of the limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
